- (ii) Daulat Singh Park.
- (iii) Café Park,
- (iv) Ridge, and
- (v) The open green patches, slopes, woodlands in Heritage Area and not covered under (i) to (iv) above.

(3) The following Zoning Regulations shall be applicable in Heritage Area.—

- (i) Pre-requisite for planning permission.- For construction of new buildings on vacant sites, detailed architectural drawings/maps in the scale of 1:50 shall be prepared showing all architectural features with size and material proposed to be used alongwith two photographs of 15 cm x 25 cm size of adjoining heritage buildings. In case of re-construction on old lines, the detailed architectural drawings/maps in the scale of 1:50 shall be prepared showing all the architectural features with size and material proposed to be used alongwith old architectural drawings and two photographs of 15cm x 25cm size of the old building.

- (ii) The existing number of storeys and floor heights shall not be altered during course of re-construction of old building. Internal changes shall be permissible without any changes to external façade.
- (iii) The original façade shall be maintained. The façade shall have the admixture of wood, stone, glass, slate and tiles as in the original building. If natural materials are not available, the alternative ones shall be given the same touch.
- (iv) The roof design shall be as under:—
- (a) the roof of the buildings to be constructed on vacant sites shall be sloping with a maximum height of 2.70 Metres at centre. The continues Dormer on any side of sloping roof shall not be allowed. Maximum 2 Dormers on either side of sloping roof at a reasonable distance between eaves and ridge shall be allowed; and
- (b) in sloping roof, slate or corrugated iron sheets, plain galvanized iron sheets, Hi polymer plastic tiles shall only be used. Primary colours shall be used for roofing in post office red or forest green colour.
- (v) The aesthetics of Bay Windows in the existing buildings shall be enhanced by providing window boxes for flowers. In case of re-construction of buildings, bay windows shall essentially be provided to enhance aesthetics and functionality. Maximum 60 cm projection of Bay Window shall be permitted on the Set Backs.
- (vi) For construction of new buildings on vacant sites, the Regulations as applicable for Core Area and Non- Core Area shall be applicable in addition to above Regulations.
- (vii) A Heritage Advisory Committee shall be constituted by the State Government for giving recommendations for the developments proposed in the Heritage Area.
- (viii) The Registered Private Professionals Class-A category as specified under rule 17 of the Himachal Pradesh Town and Country Planning Rules, 2014 shall submit the building map to the Commissioner, Municipal Corporation, Shimla or concerned Special Area Development Authorities (SADA's) or Town and Country Planner, Divisional Town Planning Office, Shimla. The Commissioner, Municipal Corporation, Shimla or concerned Special Area Development Authorities (SADA's) or Town and Country Planner, Divisional Town Planning Office, Shimla forward the same to the Heritage Advisory Committee. The development permission shall be granted by the Commissioner, Municipal Corporation, Shimla or concerned SADAs or Town and Country Planner, Divisional Town Planning Office Shimla strictly on the recommendations of the Heritage Advisory Committee.
- (ix) The applicant seeking planning permission for re-construction or construction of buildings in Heritage Area shall follow the following architectural elements for maintaining aesthetics of the existing surrounding buildings, namely:—
- (a) Dormer.
- (b) Windows.
- (c) Doors.
- (d) Bay Windows.
- (e) Facade.
- (f) Chimney.

- (g) Roofing / pinnacles.
- (h) Temporary Kiosks.
- (x) In the Natural Heritage Area, temporary 'Kiosks' for special occasions may be installed by the Municipal Corporation Shimla with the approval of the Heritage Advisory Committee.
- (xi) Street furniture in Natural Heritage Area shall be provided in the following manner, namely:—
- (a) Cast iron benches.
- (b) Decorative lighting.
- (c) All the drainage system shall have half round stone ware pipes of various sizes according to the quantum of run off of water alongwith stone edging.
- (d) The design of recreating water drinking spouts made of cast iron shall be got approved by the Municipal Corporation from the Heritage Advisory Committee.
- (xii) All service line and pipes including electric and telephone wiring, sanitation, water supply etc. shall be concealed to improve the overall look of the Heritage Area.
- (xiii)(a) Brass plates of size of 0.60 M X 0.45M inscribing history of the building, shall be displayed at strategic points of historical buildings.
- (b) The sign boards and hoardings to be provided at strategic locations shall be in accordance with the National Building Code of India, 2005. These shall not occupy more than 10% of the façade in any case.
- (xiv) Minor additions or alterations in the existing historical building shall be in conformity with the existing building and shall be permitted by the Commissioner, Municipal Corporation, Shimla or concerned SADAs or Town and Country Planner, Divisional Town Planning Office Shimla.
- 10.4.5. Rural Area.(1) The Rural Area of Non-Core Area shall comprise of the area falling outside the urbanisable area as shown in the Interim Development Plan of Shimla Planning Area as well as the areas extended vide Notification No. TCPF(5)-1/2006 dated 12.1.2007.
- (2) In Rural Area any person who owns land shall be exempted from permission for the development activities as specified under sub-section (1) of Section 30-A of the Himachal Pradesh Town and Country Planning Act, 1977 (Act No. 12 of 1977) upto the prescribed limits as defined in Appendix-8 of the Himachal Pradesh Town and Country Planning Rules, 2014. However, the benefit of above exemptions shall only be available to the residents and original inhabitants of the areas, who owned the property at the time of commencement of the Act ibid and their natural heirs only and not to the persons who purchased land in Rural Area.
- 10.4.6. Sinking and Sliding Area.—(1) The Sinking and Sliding Areas shall comprise of the following areas, namely:—
- (i) High Sinking Prone Area.—This area shall include the northern slopes of the Ridge extending upto Grand Hotel in the west and covering Lakkar Bazar including Central School extending Auckland Nursery School and extending down below upto Dhobighat below the Idgah Electric Substation.

- (ii) Sliding Areas.-This area shall include Ladakhi Mohalla (Krishna Nagar), the spurs below the office of the Director of Education and the surrounding areas of Clarks's Hotel.
- (2) In Sinking and Sliding Area, the following Regulations shall be applicable:—
- (i) The development permission shall be granted by the Commissioner, Municipal Corporation, Shimla in whose jurisdiction the Sinking and Sliding Area falls.
- (ii) The Regulations as applicable for Core Area and Non-Core Area shall be applicable in Sinking and Sliding Area.
- (iii) Re-construction or new construction on vacant plot shall be allowed on the basis of a structural design & soil investigation report and in consonance with the Geological Report of the competent authority. In case of negative observations, the construction shall not be allowed or shall be allowed as per conditions imposed by the consultant.

10.4.7. Simplification of the Map Approval Process.—The whole map approval process in Shimla Planning Area shall be as under:—

- (i) the Registered Private Professional (s) shall be one who is registered/ empanelled by the Town and Country Planning Department, under rule 17 of the Himachal Pradesh Town and Planning Rules, 2014. (herein after referred to as the “said rules”);
- (ii) the Registered Private Professional (s) shall be competent to certify building map (except apartments and colonies) in the Shimla Planning Area and will submit complete set such building map in following form alongwith necessary documents to the Competent Authorities i.e. Commissioner, Municipal Corporation, Shimla for the area falling in Municipal Corporation Shimla or to the concerned Special Area Development Authorities for the area falling in Special Areas or to the Town and Country Planner, Divisional Town Planning Office Shimla for the rest of the Shimla Planning Area:—

Certification of Building Maps by the Registered Private Professional(s)/empanelled by the Town and Country Planning Department

No.....

Dated.....

To

The Commissioner/SADA/Town and Country Planner Shimla,

.....  
 .....

Sir,

I/We hereby submit certified building map alongwith necessary documents for grant of planning permission under section 31 of the Himachal Pradesh Town and Country Planning Act, 1977 in the Name of Sh./Smt./M/s.....on Khasra No.....Hadbast No.....measuring .....square Metre, situated at Ward /Town/ Village\_ .....Post Office..... Tehsil..... District..... Himachal Pradesh for .....purpose.

It is certified that the plans have been prepared by me and I am a Registered/empanelled professional with the Department of Town and Country Planning having Registration No.....dated..... valid up to .....

Yours faithfully,

(Signature of the Registered Private Professional)

Address.....

.....

Phone No.....

Copy to:—

Sh./Smt.....with a request not to start the construction until the map is approved by the Competent Authority.

(Signature of the Registered Private Professional)

Address.....

.....

Phone No.....

- (iii) the Competent Authorities shall examine the certified building maps as early as possible but not later than one month of submission of certified building maps.
- (iv) if certified building map is in order, sanction will be conveyed by the Competent Authorities to Registered Private Professional (s) in next 15 days.
- (v) in case of any discrepancies are found in the map, the Competent Authorities shall convey the observations in next 15 days to the Registered Private Professional (s).
- (vi) in case Competent Authorities are not convinced with the reasons given by the Registered Private Professional (s) and said discrepancies are stated to be in violation to the Regulations, the approval shall not be granted and concerned Registered Private Professional (s) shall be informed by speaking order and certification granted by him to applicant/ owner shall be treated as null and void.
- (vii) No Objection Certificate (NOC) for release of service connections under section 83 A of the Himachal Pradesh Town and Country Planning Act, 1977 (Act No. 12 of 1977) at plinth level shall be given by Competent Authorities, after obtaining certificate from the Registered Private Professional (s), subject to physical verification by the Competent Authorities or their representative(s) and in conformity with the Regulations.
- (viii) in no case, the construction will be done by the Owner without engaging Registered Private Professional (s).
- (ix) the Registered Private Professional (s) shall ensure that the construction of building is completed strictly as per the sanctioned building map. In case, any dispute arises between the Owner and the Registered Private Professional (s), the present Registered Private Professional (s) shall hand over the sanctioned map and the work done at site to the new Registered Private Professional (s) engaged by the Owner duly signed by all the three parties under intimation to the Competent Authority.

- (x) in case any deviation is found, Notice under relevant section(s) of the Himachal Pradesh Town and Country Planning Act, 1977 (Act No. 12 of 1977) shall be issued by the Competent Authority and simultaneously action shall be taken against the Registered Private Professional (s) including cancellation of Registration as per Appendix-10 of rule 17 of the said rules by giving a reasonable opportunity of being heard to the Registered Private Professional (s).
- (xi) in case Registered Private Professional (s) notices certain violations being made by the owner, he shall immediately intimate the owner and ask him to stop further work. He shall also intimate the same to the Competent Authority regarding such violations.
- (xii) A completion certificate (CC) will be issued by the Competent Authorities in following form after certifying that said construction has been carried out as per sanction accorded by the Competent Authority:—

### COMPLETION CERTIFICATE

No.....

Dated.....

To

Shri/Smt./M/s (Registered Private Professional) .....  
 .....  
 .....

*Subject:* Completion Certificate.

*Reference:* Your Application No..... dated .....

This is in reference to your Application dated.....for issue of Completion Certificate and the same is hereby granted in your favour for the Building constructed on Khasra No.....Hadbast No.....measuring .....square Metre, situated at Ward /Town/ Village .....Post Office..... Tehsil..... District..... Himachal Pradesh.

Commissioner/SADA/Town and Country Planner Shimla,  
 .....  
 .....

- (xiii) the Competent Authority shall have the right to reject any completion certificate, if the same is in violation to the sanctioned plan by passing speaking order. Simultaneously a penal action shall be taken against Registered Private Professional (s) as per prevailing law (s).
- (xiv) composition of Offences under rule 35 of the said rules shall be done by the Competent Authority.
- (xv) applicant shall have choice for getting development permission either through Registered Private Professional or may apply directly to the Competent Authorities.

Note:—The Registered Private Professionals (s) with Class-A shall be competent to certify maps in the Municipal Corporation Area, as prescribed under rule 17 of the said rules.

Annexure-I

10.4.8 General Regulations.—The following General Regulations shall apply to all development activities in the Shimla Planning Area wherever applicable:—

- (1) Maximum acceptable slope for development shall be 45 degrees.
- (2) One parking floor shall be mandatory wherever feasible. Maximum height of parking floor shall be 4.00 Metres including depth of beam below the ceiling of the slab and it shall be over and above the permissible Floor Area Ratio (FAR) limit. However, the fee shall have to be paid for parking floor. The shear walls shall be constructed on all the three sides of parking floor so that it is not a soft storey.
- (3) In case, space as per requirement for parking is available in open, over and above the Set Backs, condition of parking floor shall not be insisted. The closed floors in a building at any level, if proposed and feasible for parking, shall be allowed over and above the permissible Floor Area Ratio (FAR), subject to height restriction and structural stability. The fee shall have to be paid for parking floor. In case any person intends to construct parking floor, if feasible for parking, in addition to the number of storeys approved, will be allowed over and above the permissible Floor Area Ratio (FAR) subject to structural stability. The fee shall have to be paid for such parking floor. The said parking floors shall be used exclusively for parking only. Though, one parking floor is mandatory yet, second parking floor can be constructed which will be optional. Subsequent parking floors shall be included in the Floor Area Ratio (FAR).
- (4) Every room used or intended to be used for the purpose of an office or for habitation in any building shall have a height of not less than 2.70 Metres measured from the floor to ceiling. In any such room having a sloping ceiling, the height shall be measured to the mean height of such ceiling above the floor level. Provided that no portion of such room shall have a height of less than 2.00 Metres. The chimneys, elevators, poles, tanks and other projections not used for human occupancy may extend above the prescribed height limits. The cornices and window sills may also project into any required Set Backs.
- (5) Sloping roof shall be mandatory in hill areas and the main roof shall be gable end roof or hipped end roof with option of dormer/chimneys. The roof may be of GCI, GIS or slate roof with fascia shall be provided with weather board and weather strip for proper dripping of rain water. The roof shall be painted with post office red or forest green or natural roofing material such as slates.
  - (i) Height of sloping roof zero at eaves and maximum 2.70 Metres at centre shall be permissible. The continuous Dormer on any side of sloping roof shall not be allowed. Maximum 2 Dormers (preferably Gable and Triangular type) on the either side of sloping roof at a reasonable distance between eaves, sides and ridge shall be allowed. The 1/3rd area of the top floor shall be allowed as open terrace wherever sloping roof is provided.

OR

- (ii) The top most floor of the building shall be in the form of the attic floor. The height of the sloping roof shall be zero at eaves level at slab of attic floor, which shall not exceed 0.60 Metre horizontally including gutter and fascia and maximum 5.50 Metre at centre shall be permissible. The total height of the Dormer shall not exceed 3.25 Metre at ridge level of the Dormer from the attic floor level. The Dormer shall be at least 1.50 Metre away from eaves of main roof. The total width of any individual Dormer shall not exceed 2.5 Metre.
- (iii) The enclosed space left under roof and above habitable space shall be used for water storage tanks.
- (iv) Roof top @ 12 M2 per 1 Kilo Watt peak (KWp) can be used for Solar Photovoltaic (PV) installations.
- (6) (i) Minimum front Set Backs from the line of controlled width of Highways and other Himachal Pradesh Public Works Department's scheduled roads falling within the Planning Area /Special Area limits (excluding the land, included in the inhabited sites of a village as entered and demarcated in the Revenue record or on sites in notified Municipal or town area that are already built up) shall be 1.00 Metre.
- (ii) Minimum front Set Back from non-scheduled roads and Municipal roads shall be 3.00 Metres.
- (iii) Every building shall have a clear means of access there to from a street or road. The competent authority may require the provisions of an access lane or access road within the site of any new building. Where for the purpose of this Regulation, it is necessary to determine the width of any road or street, the same shall be determined by the competent authority.
- (7) For the plots abutting Highways, Bye-pass and other Himachal Pradesh Public Works Department's scheduled roads, No Objection Certificate (NOC) from the Himachal Pradesh Public Works Department shall be mandatory in the cases where plot is directly abutting to these roads and there is direct access through connecting bridge and by constructing ramps to such roads.
- (8) No construction shall be allowed on Valley Side above the road level on the following National Highways, State Highways & Major District Roads of Shimla Planning Area.

Four lane: Kaithalighat (Shoghi) to Dhalli.
National Highway-5: Chandigarh-Kalka-Parwanoo-Solan-Shimla-Theog-Narkanda-Rampur Road.
National Highway-88: Shimla-Mandi Road.
State Highway-13: Shimla-Tatapani-Mandi Road.
Major District Roads Mehli to Junga.
Mehli to Shoghi via Anandpur.

Taradevi - Jutogh Bye Pass.
Totu to Kunihar via Airport.
Sanjauli- Dhalli Bye Pass.
Chotta Shimla to Panthaghatti via Kasumpti.
Circular Cart Road.

(9) No construction shall be permitted on the either side of Sanjauli- Dhalli Bye pass upto 15 Metre from the acquired width of the road.

(10) (i) No building shall be built to abut against an earth cutting including a toe wall supporting an earth cutting. Building shall be allowed to come up without disturbing the natural land profile.

(ii) A clear intervening space or area of a width of not less than  $\frac{1}{4}$  of the height of the earth cutting shall be left between such building at ground floor level and the toe of the earth cutting. Such intervening space or area shall in no case be less than 2.00 Metres in width. For the purpose of this Regulation, the height of the earth cutting shall be deemed to be the height measured on a vertical line drawn from the toe of such earth cutting. Any such retaining wall/breast wall/ diaphragm wall/toe wall shall be independently certified to be structurally safe by the Structural Engineer.

(11) Submission of structural stability certificate on its completion shall be mandatory.

(12) Civil Engineer having minimum three years experience in Engineering Structural design shall be eligible for preparation of structural designs and issuance of certificates thereof.

(13) Issuance of No Objection Certificate (NOC) for water supply and electricity connection:—

(i)	Temporary	At plinth level
(ii)	Permanent	On completion of dwelling unit /floor /whole building.

(14) Any subsequent deviations made in the building constructed after getting the plan approved and after grant of No Objection Certificate (NOC) issued by the Department shall entail the entire building unauthorized and NOC so issued shall be withdrawn and the services shall be disconnected.

(15) Adequate distance from the electric lines as per the requirement of Himachal Pradesh State Electricity Board Limited (HPSEB Ltd.) Rules shall be maintained. No Objection Certificate (NOC) of the competent authority shall also be required, if HT/LT line is crossing through the site.

(16) Minimum permissible distance between two Blocks constructed on a plot shall be 5.00 Metres.

(17) The construction shall be allowed at distance of 3.00Metre and 5.00Metre from Nullah and Khad respectively.

- (18) No residential building shall be permissible on land having buildable width less than 5.00 Metres after leaving Set Backs.
- (19) No construction shall be allowed within a radius of 2.00 Metre from the existing tree and 5.00 Metres from the Forest boundary measured from the circumference of an existing tree.
- (20) Construction on sandwich plots in Bazaar area shall be permissible for shops as per existing building lines, only in existing built up areas.
- (21) In new sub-division of land :—

(i)	Minimum width of vehicular access, if number of plots is above 5.	5.00 M (with cul desac) at the end.
(ii)	Minimum width of pedestrian links to smaller cluster of plots, not exceeding 5 in number.	3.00 M.
(iii)	Minimum area for open/green space for the scheme having more than 5 plots.	10%
(iv)	Minimum area for soak pit etc. (irrespective of number of plots) 5% of the scheme area	—
(v)	Orientation of the plots shall be provided in such a manner so as to be in conformity with the integration of existing plots/infrastructure, wind direction, natural flow of surface drainage to allow un-obstructed rain water discharge.	—
(vi)	Layout of plots shall be governed by easy access having acceptable grades minimum 1 in 15 and which may not obstruct view or vista.	—

- (22) Permissible Area Standard/Norms for different parts of a Building shall be as under:—

Habitable room	Minimum floor area	9.50 M <sup>2</sup>
	Minimum width	2.40 M
Kitchen	Minimum floor area	4.50 M <sup>2</sup>
	Minimum width	1.80 M
Bath room	Minimum floor area	1.80 M <sup>2</sup>
	Minimum width	1.20 M
Water Closet (WC)	Minimum floor area	1.10 M <sup>2</sup>
	Minimum width	0.90 M
Toilet (WC+ Bath)	Minimum floor area	2.30 M <sup>2</sup>
	Minimum width	1.20 M

Minimum width of corridor	For Residential use For Other uses	1.00 M 1.20 M
Minimum width of stairs	For Residential use For Other uses	1.00 M 1.50 M
Maximum width of treads without nosing	For Residential use For Other uses	25 Centimeter wide for internal stairs 30 Centimeter wide for internal stairs case
Maximum height of riser	For Residential use For Other uses	19 Centimeter 15 Centimeter
Provision of spiral stair case	For Other uses expect Residential use	Provision of spiral stair case not less than 1.50 Metre dia with adequate head height for fire escape in addition to regular stair case
Openings	For sufficient air and light, windows and ventilators should have minimum area equivalent to 1/6 th of Floor area.	
Projections over doors, windows and ventilators.	0.60 M	—
Balcony Projections	1.20 M wide Balcony complete open on two sides with restriction of 50% of building frontage where minimum front Set Back is 3.00 M shall be permissible.	

(23) The habitable basement and attic shall be counted as independent storey.

(24) No plot size restriction shall be applicable for the plots existing prior to 31.3.1979, however, Interim Development Plan Regulations applicable immediately after coming into operation of Notification No.9-12/72-PW dated 24.3.1979 published in the official Gazette on 31.3.1979 regarding Interim Development Plan for Shimla Planning Area shall be applicable.

(25) The Apartments and Colonies shall be dealt with as per Regulations contained in Appendix-7 of the Himachal Pradesh Town and Country Planning Rules, 2014. The powers for Registration of Promoters / Estate Agents and powers for issuance of Licences shall vest with the Director, Town and Country Planning.

(26) Though minimum area of plot has been defined in the Regulation 10.4.1 and 10.4.2 yet the plots allotted by the Central or State Government under various Social Housing Schemes including Gandhi Kutir Yojana, Indira Awas Yojana, Rajiv Awas Yojana, Affordable Housing Schemes, launched by the Central or State Government, may be considered and permission will be accorded in relaxation of Regulations. However, the minimum area of plot for the persons belonging to the Economically Weaker Sections and Low Income Groups of society should not be less than 45 M<sup>2</sup> and 80 M<sup>2</sup> respectively.

(27) Service floor wherever proposed is required for transferring of the plumbing and other services effectively and to maintain the hygiene of habitable area in case of Commercial/ Shopping Complex and Tourism Unit. For service floor, wherever proposed shall have height restriction of 2.10 Metres and this floor shall not be counted in the FAR, however, the overall height restriction of building will remain the same”.

10.4.9 Shimla Planning Area shall be comprised of the following areas:—

Sr. No	Name of Area	Description			Competent Authority
I	Municipal Corporation Shimla	Entire 25 numbers wards (1-25)			Commissioner, Municipal Corporation, Shimla
II	Kufri Special Area notified vide Notification No. TCPF (5)4/2000 dated 30.11.2000	Sr. No.	Name of the Village	Hadbast No.	Special Area Development Authority, Kufri

## TOWN AND COUNTRY PLANNING DEPARTMENT

### NOTIFICATION

*Shimla-2, the 13th August, 2015*

**No. TCP-A(3)-2/2014.**—In supersession of all previous notifications relating to amendment of para 10.4 of Chapter-X of the Interim Development Plan for Shimla Planning Area and in exercise of the powers vested in him under sub-sections (4) and (5) of section 17 of the Himachal Pradesh Town and Country Planning Act, 1977 (Act No. 12 of 1977), the Governor of Himachal Pradesh is pleased to further amend the Interim Development Plan of Shimla Planning Area notified vide Notification No. 9-12/72-PW dated 24.3.1979 and published in Rajpatra of Himachal Pradesh on 31.3.1979, as under:—

In Chapter-X of the Interim Development Plan for Shimla Planning Area, for para 10.4, the following para shall be substituted, namely:—

10.4 Zoning Regulations.- In order to promote planned development, the Shimla Planning Area shall be demarcated as per area wise specifications given under regulation 10.4.9 and for the said area the category wise Zoning Regulations shall be as under:—

10.4.1 Core Area.-(1) The Core Area shall comprise of the following areas, namely:—

- (i) Central Shimla bounded by the Circular Cart Road starting from Victory Tunnel and ending at Victory Tunnel via Chhota Shimla and Sanjauli and the area bounded by Mall Road starting from Railway Board Building to Ambedkar Chowk, covering Museum Hill by road starting from Ambedkar Chowk on the north side, joining the Chowk of Indian Institute of Advanced Studies and following the road joining Summer Hill Post Office and via upper road to Boileauganj Chowk and then joining the Cart Road, along Cart Road to Victory Tunnel; and
- (ii) From junction of Tribunal Road and Cart Road near Himachal Pradesh Secretariat, then along the Tribunal Road / path joining Boundary / Dhobighat path and then following Dhobighat/ boundary path upto the Shimla- Junga road near Boundary. Then following Chhota Shimla-Himalvi Bhawan path upto the house of Sh. Amin Chauhan, then alongwith house of Sh. Amin Chauhan, Sh. Mansa Ram, Block No. 4,6,8,9,7,5,2 (all the Blocks of H.P. Housing Board) and house of Sh. Ramesh Negi, Sh. Diwan Chand Gupta, Sh. N.S. Pal, Sh. Indervir Singh Pal, Sh. Ashwani Kumar, Sh. Y.K. Gautam and then along the path joining to the Chhota Shimla Kasumpati path near Aira Holme's Public School. Following Chhota Shimla-Kasumpati path towards Kasumpati upto junction of Shimla-Junga Road and SDA Complex road. Then following Shimla Junga Road towards Chhota Shimla upto Cart Road near Ashiana Restaurant. Then following Cart Road upto junction of Tribunal Road and Cart Road near Himachal Pradesh Secretariat building.

(2) In Core Area (except Green Area and Heritage Area), the following Regulations shall be applicable in addition to General Regulations contained in Annexure-I appended to these Regulations:—

- (i) Change of Land Use shall be allowed by the Administrative Department subject to the condition that the applicant fulfills the Regulations applicable for the Land Use proposed to be changed.
- (ii) Change of Building Use shall be permissible and may be allowed by the Commissioner, Municipal Corporation, Shimla on merit of the case, subject to the condition that there is no disturbance to the adjoining building owners and fulfillment of other Regulations specified for the purpose. The Change of Building Use for Hotel and Guest Houses shall be permissible only if sufficient parking area is available.
- (iii) Re-construction of existing Buildings on old lines except Heritage Buildings shall be permitted, provided the façade and architectural features are maintained. In the case of re construction, aiming to increase the number of storeys, FAR, plot area etc., all the present Regulations shall be applicable.
- (iv) Minimum width of path abutting one side of plot shall be 3.00 Metre.
- (v) No industry shall be allowed in Core Area.
- (vi) The minimum Plot Area, minimum Set Backs, maximum Floor Area Ratio (FAR) and maximum height of building shall be as under:—

Sr. No.	Description and Minimum Plot Area (in M <sup>2</sup> )	Minimum Set Backs (in Metre)				Maximum Floor Area Ratio	Maximum Height in Metres

.....

Sir,

I/We hereby submit certified building map alongwith necessary documents for grant of planning permission under section 31 of the Himachal Pradesh Town and Country Planning Act, 1977 in the Name of Sh./Smt./M/s.....on Khasra No.....Hadast No.....measuring.....square Metre, situatedatWard/Town/Village.....Post office.....Tehsil.....District..... Himachal Pradesh for .....purpose.

It is certified that the plans have been prepared by me and I am a Registered/empanelled professional with the Department of Town and Country Planning having Registration No.....dated..... valid up to .....

Yours faithfully,

(Signature of the Registered Private Professional)

Address.....

Phone No.....

Copy to:—

Sh./Smt.....with a request not to start the construction until the map is approved by the Competent Authority.

(Signature of the Registered Private Professional)

Address.....

Phone No.....

- (iii) the Competent Authorities shall examine the certified building maps as early as possible but not later than one month of submission of certified building maps.
- (iv) if certified building map is in order, sanction will be conveyed by the Competent Authorities to Registered Private Professional (s) in next 15 days.
- (v) in case of any discrepancies are found in the map, the Competent Authorities shall convey the observations in next 15 days to the Registered Private Professional (s).
- (vi) in case Competent Authorities are not convinced with the reasons given by the Registered Private Professional (s) and said discrepancies are stated to be in violation to the Regulations, the approval shall not be granted and concerned Registered Private Professional (s) shall be informed by speaking order and certification granted by him to applicant/ owner shall be treated as null and void.

- (vii) No Objection Certificate (NOC) for release of service connections under section 83-A of the Himachal Pradesh Town and Country Planning Act, 1977 (Act No. 12 of 1977) at plinth level shall be given by Competent Authorities, after obtaining certificate from the Registered Private Professional (s), subject to physical verification by the Competent Authorities or their representative(s) and in conformity with the Regulations.
- (viii) in no case, the construction will be done by the Owner without engaging Registered Private Professional (s).
- (ix) the Registered Private Professional (s) shall ensure that the construction of building is completed strictly as per the sanctioned building map. In case, any dispute arises between the Owner and the Registered Private Professional (s), the present Registered Private Professional (s) shall hand over the sanctioned map and the work done at site to the new Registered Private Professional (s) engaged by the Owner duly signed by all the three parties under intimation to the Competent Authority.
- (x) in case any deviation is found, Notice under relevant section(s) of the Himachal Pradesh Town and Country Planning Act, 1977 (Act No. 12 of 1977) shall be issued by the Competent Authority and simultaneously action shall be taken against the Registered Private Professional (s) including cancellation of Registration as per Appendix-10 of rule 17 of the said rules by giving a reasonable opportunity of being heard to the Registered Private Professional (s).
- (xi) in case Registered Private Professional (s) notices certain violations being made by the owner, he shall immediately intimate the owner and ask him to stop further work. He shall also intimate the same to the Competent Authority regarding such violations.
- (xii) A completion certificate (CC) will be issued by the Competent Authorities in following form after certifying that said construction has been carried out as per sanction accorded by the Competent Authority:—

#### COMPLETION CERTIFICATE

No.....

Dated.....

To

Shri/Smt./M/s (Registered Private Professional) .....  
 .....  
 .....

Subject: Completion Certificate.

Reference: Your Application No..... dated .....

This is in reference to your Application dated.....for issue of Completion Certificate and the same is hereby granted in your favour for the Building constructed on Khasra No.....Hadbast No.....measuring .....square Metre, situated at Ward /Town/ Village .....Post Office..... Tehsil..... District..... Himachal Pradesh.

Commissioner/SADA/Town and Country Planner Shimla,  
 .....  
 .....

- (xiii) the Competent Authority shall have the right to reject any completion certificate, if the same is in violation to the sanctioned plan by passing speaking order. Simultaneously a penal action shall be taken against Registered Private Professional (s) as per prevailing law (s) .
- (xiv) composition of Offences under rule 35 of the said rules shall be done by the Competent Authority.
- (xv) applicant shall have choice for getting development permission either through Registered Private Professional or may apply directly to the Competent Authorities.

Note:-The Registered Private Professionals (s) with Class-A shall be competent to certify maps in the Municipal Corporation Area, as prescribed under rule 17 of the said rules.

#### Annexure-I

10.4.8 General Regulations.-The following General Regulations shall apply to all development activities in the Shimla Planning Area wherever applicable:—

- (1) Maximum acceptable slope for development shall be 45 degrees.
- (2) One parking floor shall be mandatory wherever feasible. Maximum height of parking floor shall be 4.00 Metres including depth of beam below the ceiling of the slab and shall be over and above the permissible Floor Area Ratio (FAR) limit. However, the fee shall have to be paid for parking floor. The shear walls shall be constructed on all the three sides of parking floor so that it is not a soft storey.
- (3) In case, space as per requirement for parking is available in open, over and above the Set Backs, condition of parking floor shall not be insisted. The closed floors in a building at any level, if proposed and feasible for parking, shall be allowed over and above the permissible Floor Area Ratio (FAR), subject to height restriction and structural stability. The fee shall have to be paid for parking floor. In case any person intends to construct parking floor, if feasible for parking, in addition to the number of storeys approved, will be allowed over and above the permissible Floor Area Ratio (FAR) subject to structural stability. The fee shall have to be paid for such parking floor. The said parking floors shall be used exclusively for parking only. Though, one parking floor is mandatory yet, second parking floor can be constructed which will be optional. Subsequent parking floors shall be included in the Floor Area Ratio (FAR).
- (4) Every room used or intended to be used for the purpose of an office or for habitation in any building shall have a height of not less than 2.70 Metres measured from the floor to ceiling. In any such room having a sloping ceiling, the height shall be measured to the mean height of such ceiling above the floor level. Provided that no portion of such room shall have a height of less than 2.00 Metres. The chimneys, elevators, poles, tanks and other projections not used for human occupancy may extend above the prescribed height limits. The cornices and window sills may also project into any required Set Backs.
- (5) Sloping roof shall be mandatory in hill areas and the main roof shall be gable end roof or hipped end roof with option of dormer/chimneys. The roof may be of GCI, GIS or

slate roof with fascia shall be provided with weather board and weather strip for proper dripping of rain water. The roof shall be painted with post office red or forest green or natural roofing material such as slates.

- (i) Height of sloping roof zero at eaves and maximum 2.70 Metres at centre shall be permissible. The continuous Dormer on any side of sloping roof shall not be allowed. Maximum 2 Dormers (preferably Gable and Triangular type) on the either side of sloping roof at a reasonable distance between eaves, sides and ridge shall be allowed. The 1/3rd area of the top floor shall be allowed as open terrace wherever sloping roof is provided.

OR

- (ii) The top most floor of the building shall be in the form of the attic floor. The height of the sloping roof shall be zero at eaves level at slab of attic floor, which shall not exceed 0.60 Metre horizontally including gutter and fascia and maximum 5.50 Metre at centre shall be permissible. The total height of the Dormer shall not exceed 3.25 Metre at ridge level of the Dormer from the attic floor level. The Dormer shall be at least 1.50 Metre away from eaves of main roof. The total width of any individual Dormer shall not exceed 2.5 Metre.
  - (iii) The enclosed space left under roof and above habitable space shall be used for water storage tanks.
  - (iv) Roof top @ 12 M<sup>2</sup> per 1 Kilo Watt peak (KWp) can be used for Solar Photovoltaic (PV) installations.
- (6) (i) Minimum front Set Backs from the line of controlled width of Highways and other Himachal Pradesh Public Works Department's scheduled roads falling within the Planning Area /Special Area limits (excluding the land, included in the inhabited sites of a village as entered and demarcated in the Revenue record or on sites in notified Municipal or town area that are already built up) shall be 1.00 Metre.
  - (ii) Minimum front Set Back from non-scheduled roads and Municipal roads shall be 3.00 Metres.
  - (iii) Every building shall have a clear means of access there to from a street or road. The competent authority may require the provisions of an access lane or access road within the site of any new building. Where for the purpose of this Regulation, it is necessary to determine the width of any road or street, the same shall be determined by the competent authority.
- (7) For the plots abutting Highways, Bye-pass and other Himachal Pradesh Public Works Department's scheduled roads, No Objection Certificate (NOC) from the Himachal Pradesh Public Works Department shall be mandatory in the cases where plot is directly abutting to these roads and there is direct access through connecting bridge and by constructing ramps to such roads.
  - (8) No construction shall be allowed on Valley Side above the road level on the following National Highways, State Highways & Major District Roads of Shimla Planning Area.

Four lane: Kaithalighat (Shoghi) to Dhalli.
National Highway-5: Chandigarh-Kalka-Parwanoo-Solan-Shimla-Theog-Narkanda-Rampur Road.
National Highway-88: Shimla-Mandi Road.
State Highway-13: Shimla-Tatapani-Mandi Road.
Major District Roads
Mehli to Junga.
Mehli to Shoghi via Anandpur.
Taradevi - Jutogh Bye Pass.
Totu to Kunihar via Airport.
Sanjauli- Dhalli Bye Pass.
Chotta Shimla to Panthaghatti via Kasumpti.
Circular Cart Road.

(9) No construction shall be permitted on the either side of Sanjauli- Dhalli Bye pass upto 15 Metre from the acquired width of the road.

(10) (i) No building shall be built to abut against an earth cutting including a toe wall supporting an earth cutting. Building shall be allowed to come up without disturbing the natural land profile.

(ii) A clear intervening space or area of a width of not less than  $\frac{1}{4}$  of the height of the earth cutting shall be left between such building at ground floor level and the toe of the earth cutting. Such intervening space or area shall in no case be less than 2.00 Metres in width. For the purpose of this Regulation, the height of the earth cutting shall be deemed to be the height measured on a vertical line drawn from the toe of such earth cutting. Any such retaining wall/breast wall/ diaphragm wall/toe wall shall be independently certified to be structurally safe by the Structural Engineer.

(11) Submission of structural stability certificate on its completion shall be mandatory.

(12) Civil Engineer having minimum three years experience in Engineering Structural for preparation of structural designs and issuance of certificates thereof.

(13) Issuance of No Objection Certificate (NOC) for water supply and electricity connection:—

(i)	Temporary	At plinth level
(ii)	Permanent	On completion of dwelling unit /floor /whole building.

(14) Any subsequent deviations made in the building constructed after getting the plan approved and after grant of No Objection Certificate (NOC) issued by the Department shall entail the entire building unauthorized and NOC so issued shall be withdrawn and the services shall be disconnected.

(15) Adequate distance from the electric lines as per the requirement of Himachal Pradesh State Electricity Board Limited (HPSEB Ltd.) Rules shall be maintained. No Objection

- Certificate (NOC) of the competent authority shall also be required, if HT/LT line is crossing through the site. (16) Minimum permissible distance between two Blocks constructed on a plot shall be 5.00 Metres.
- (17) The construction shall be allowed at distance of 3.00Metre and 5.00Metre from Nullah and Khad respectively.
- (18) No residential building shall be permissible on land having buildable width less than 5.00 Metres after leaving Set Backs.
- (19) No construction shall be allowed within a radius of 2.00 Metre from the existing tree and 5.00 Metres from the Forest boundary measured from the circumference of an existing tree.
- (20) Construction on sandwich plots in Bazaar area shall be permissible for shops as per existing building lines, only in existing built up areas.
- (21) In new sub-division of land :—

(i)	Minimum width of vehicular access, if number of plots is above 5.	5.00 M (with cul-desac) at the end.
(ii)	Minimum width of pedestrian links to smaller cluster of plots, not exceeding 5 in number.	3.00 M.
(iii)	Minimum area for open/green space for the scheme having more than 5 plots.	10%
(iv)	Minimum area for soak pit etc. (irrespective of number of plots)	5% of the scheme area
(v)	Orientation of the plots shall be provided in such a manner so as to be in conformity with the integration of existing plots/infrastructure, wind direction, natural flow of surface drainage to allow un-obstructed rain water discharge.	
(vi)	Layout of plots shall be governed by easy access having acceptable grades minimum 1 in 15 and which may not obstruct view or vista.	

(22) Permissible Area Standard/Norms for different parts of a Building shall be as under:-

Habitable room	Minimum floor area	9.50 M <sup>2</sup>
	Minimum width	2.40 M
Kitchen	Minimum floor area	4.50 M <sup>2</sup>
	Minimum width	1.80 M
Bath room	Minimum floor area	1.80 M <sup>2</sup>
	Minimum width	1.20 M
Water Closet	Minimum floor area	1.10 M <sup>2</sup>
	Minimum width	
(WC)		0.90 M
Toilet (WC+ Bath)	Minimum floor area	2.30 M <sup>2</sup>
	Minimum width	1.20 M
Minimum width	For Residential use	1.00 M

of corridor	For Other uses	1.20 M
Minimum width of stairs	For Residential use	1.00 M
	For Other uses	1.50 M
Maximum width of treads without nosing	For Residential use	25 Centimeter wide for internal stairs
	For Other uses	30 Centimeter wide for internal stairs case
Maximum height of riser	For Residential use	19 Centimeter
	For Other uses	15 Centimeter
Provision of spiral stair case	For Other uses expect Residential use	Provision of spiral stair case not less than 1.50 Metre dia with adequate head height for fire escape in addition to regular stair case
Openings	For sufficient air and light, windows and ventilators should have minimum area equivalent to 1/6 th of Floor area.	
Projections over doors, windows and ventilators.	0.60 M -	
Balcony Projections	1.20 M wide Balcony complete open on two sides with restriction of 50 % of building frontage where minimum front Set Back is 3.00 M shall be permissible.	

- (23) The habitable basement and attic shall be counted as independent storey.
- (24) No plot size restriction shall be applicable for the plots existing prior to 31.3.1979, however, Interim Development Plan Regulations applicable immediately after coming into operation of Notification No.9-12/72-PW dated 24.3.1979 published in the official Gazette on 31.3.1979 regarding Interim Development Plan for Shimla Planning Area shall be applicable.
- (25) The Apartments and Colonies shall be dealt with as per Regulations contained in Appendix-7 of the Himachal Pradesh Town and Country Planning Rules, 2014. The powers for Registration of Promoters / Estate Agents and powers for issuance of Licences shall vest with the Director, Town and Country Planning.
- (26) Though minimum area of plot has been defined in the Regulation 10.4.1.and 10.4.2 yet the plots allotted by the Central or State Government under various Social Housing Schemes including Gandhi Kutir Yojana, Indira Awas Yojana, Rajiv Awas Yojana, Affordable Housing Schemes, launched by the Central or State Government, may be considered and permission will be accorded in relaxation of Regulations. However, the minimum area of plot for the persons belonging to the Economically Weaker Sections and Low Income Groups of society should not be less than 45 M<sup>2</sup> and 80 M<sup>2</sup> respectively.
- (27) Service floor wherever proposed is required for transferring of the plumbing and other services effectively and to maintain the hygiene of habitable area in case of Commercial/Shopping Complex and Tourism Unit. For service floor, wherever proposed shall have height restriction of 2.10 Metres and this floor shall not be counted in the FAR, however, the overall height restriction of building will remain the same”.

## 10.4.9 Shimla Planning Area shall be comprised of the following areas:—

Sr. No	Name of Area	Description			Competent Authority
I	Municipal Corporation Shimla	Entire 25 numbers wards (1-25)			Commissioner, Municipal Corporation, Shimla
II	Kufri Special Area notified vide Notification No. TCPF (5)4/2000 dated 30.11.2000	Sr. No.	Name of the Village	Hadbast No.	Special Area Development Authority, Kufri
		1.	Lambi Dhar	349 (Whole)	
		2.	Jungle Mashobra	247(Partly, as already bifurcated in M.C. Shimla).	
		3.	Kolu Ka Jubbar	309 (Partly, as bifurcated by Khasra No. 2,21, 85, 79, 80, 95, 96, 106 inclusive towards Shimla-Suni Road).	
		4.	Jhalti	307 (Whole)	
		5.	Chanavat	308 (Partly, as bifurcated by Khasra No. 64, 65, 66, 67, 68 inclusive towards Shimla-Sunni Road).	
		6.	Bontlu	306 (Whole)	
		7.	Dhagog	305 (Partly, as bifurcated by Khasra No. 1, 3, 4, 22, 151, 158, 162, 215, 219, 220, 221, 119, 117, 116,	

				112 inclusive towards Shimla-Sunni Road).	
		8.	Jungle Dhagog	304 (Whole)	
		9.	Jotlu	303 (Partly, as bifurcated by Khasra No. 1, 8, 128, 129, 137, 138, 155, 156, 186, 187, 188, 195, 196 inclusive towards Shimla-Sunni Road).	
		10.	Bhatla	302 (Partly, as bifurcated by Khasra No. 1,2, 3,4, 5, 6, 79, 80, 81, 72, 73, 66, 152 inclusive towards village Sandhora).	
		11.	Sandhora	296 (Whole)
