Pradhan Mantri Awas Yojana

A mission approved by Union Cabinet on 17.06.2015 and guidelines are launched on 25.06.2015

Components of the Mission are:-

- I. Slum rehabilitation .
- II. Credit linked subsidy .
- III. Affordable Housing .
- IV. Subsidy for beneficiary-led individual house construction

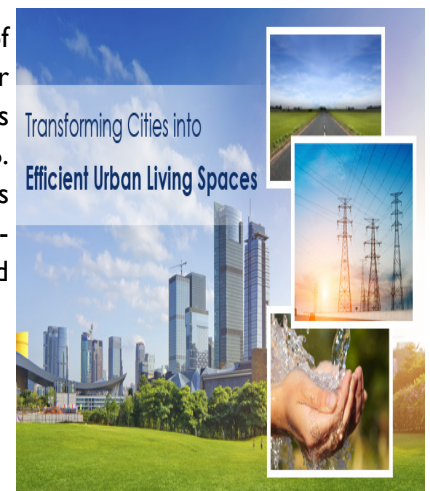

Housing for All (Urban)" Mission will be implemented during 2015-2022 in the Shimla city by the Municipal Corporation Shimla. Mission will be implemented as Centrally Sponsored Scheme (CSS) except for the component of credit linked subsidy which will be implemented as a Central Sector Scheme.

MC Shimla have received 60 applications under component- 2(CLS) and 13 applications under component -4. DPRs for the Component 2 &4 are approved in the Hon'ble MC House on dated 29th of April 2016. DPRs will be further submitted to the UD Shimla within one week.

It is decided in the Hon'ble MC House that no application will be received under the component 1 & 3 without land identification and land clearance. A detailed survey will be conducted in the month of May 2016 for the physical verification of the information submitted by the beneficiaries.

Project Development and Management Consultancy for AMRUT, the bidders were called for the PDMC for making SLIP and SAAP. The bids was opened at 21-03-2016 , after opened the bids, the technical evaluation of bids can be done. After that financial bids was opened at 04-04-2016. The financial bid was opened only those bidders which were qualified in technical evaluation .

Transforming Cities into
Efficient Urban Living Spaces

Action Taken Against Jaundice

“Water Is Our Guest”

As a precautionary measure, MC Shimla re-cleaned all the storage tanks located in Shimla including water reservoir at Ridge and Sanjauli.

Thereafter campaign was extended to entire town making request to indi-

vidual house owners to clean their personal storage tanks.

MC Shimla carried out an aggressive drive on 13th and 14th February 2016 by involving 25 nodal officers & field staff to revisit the house-

holds of affected wards and again advise them to re-clean tanks and consume boiled water.

Total households revisited were >8000. Pamphlets were also distributed.

Awareness Regarding Water Cleaning

141 educational institutions were visited and have been advised to clean their water storage tank before opening of Schools. Again these are being visited by nodal officers to have interaction with students and teachers to ensure compliance.

For cleaning of individuals tanks,

the owner can hire the service of 75 registered plumbers for cleaning of their personal tanks, for which rates were also fixed by the MC Shimla .

Disaster Risk Reduction and Climate Change Adaptation

Play on Disaster Management 28th March to 20th April 2016 :Under BUARE Phase-I, Community Based Disaster Risk management training has been given to 3500 ward citizens over the past 6 months .. The Play has been performed in 24 schools of Shimla City. The 25 minute long play provided practical knowledge on disaster management while providing humor & entertainment to the students.

Rejuvenating the traditional water sources to augment water security in Shimla Municipal Corporation Area: Municipal Corporation Shimla received Rs. 19,00,000/- under Small Grant Fund - ACCCRN and ICLEI-SA and also received Rs 1,00,00,000/- under AMRUT to implement this project. As a pilot project, water from 9 bowries in various parts of the city will be made drinkable with the help of modern filtration techniques .

Homes Given to BPL families under Ashiana II

Municipal Corporation Shimla under its flagship programme Basic Services for Urban Poor (BSUP) under JNNURM, in 1st Phase 05 families were allotted houses near Dhalli Tunnel, Shimla by Hon'ble Chief Minister, GoHP. The scheme envisages allocation of 94 houses to BPL families in Shimla city. The remaining 89 houses of IInd Phase can be given very soon.
