\* Bidders to assess the inventory for this toilet

## Inventory of Toilets

Toilet Id	31	Ward Number & Name	8 & Below Old Motor Barrier
Location	12 ghar ki Line	Area if toilet (in sqft)	72.00

No. of Toilet Units	
Gents	3
Ladies	1

### A. Details on toilet units and improvement required

Components in Gents Toilet	Existing (in numbers and status)	Indicative replacement/repair requirements
Gents Urinals	0	
Gents Toilet	3	
Bathing cubicles	0	
Hand wash basins	0	
Floor Type	Tiles	Good Condition
Doors	3	
Mirrors	0	
Lighting fixtures	0	
Taps	1	

Components in Ladies Toilet	Existing (in numbers and status)	Indicative replacement/repair requirements
Ladies Toilet	1	
Bathing cubicles	0	
Hand wash basins	0	
Floor Type	Tiles	
Doors	1	
Mirrors	0	
Disposal bins		Not Available
Lighting fixtures	0	
Taps	1	

Toilet Id	31	Ward Number & Name	8 & Below Old Motor Barrier
Location	12 ghar ki Line	Area if toilet (in sqft)	72.00

**B. Other general details about toilet and the improvement required**

<b>Water storage tanks</b>			
<b>Number of storage tanks</b>	<b>Size of storage</b>	<b>Existing status</b>	<b>Improvement required</b>
1	Overhead tank : 1000.00 lts		

<b>Painting</b>		
<b>Area of painting</b>	<b>Existing status</b>	<b>Need for painting (Yes of No)</b>
72.00	Fresh and neat	No

<b>Sign board</b>			
<b>Number of Sign board</b>	<b>Size of sign board</b>	<b>Existing status</b>	<b>Improvement required</b>
Signboard leading to the toilet : 0 Signboard outside on timings : 0 Signboard on user fees : 0			

**C. Details about the water availability, sewerage and waste disposal system and electricity**

<b>Water availability</b>	
Timings (Hrs/day)	2.00
Seasonal Variation	Not affected at all
Source of Water	Water connection from municipality

<b>Sewerage &amp; Waste disposal</b>	
Distance from network (in meters) where, it is not connected to sewer network	0.00
Connectivity to UGD System/On-Site Treatment	UGD System
If septic tank, frequency of cleaning tank (number of times/month)	0

<b>Electricity details</b>	
Does toilet complex have electricity (Yes or No)	No
Availability of electricity (Hours/day)	
Purposes for which electricity is used	

## Inventory of Toilets

Toilet Id	32	Ward Number & Name	8 & Below Old Motor Barrier
Location	12 ghar ki Line	Area if toilet (in sqft)	120.00

No. of Toilet Units	
Gents	2
Ladies	2
