

# SUCCESS STORY UNDER COMPONENT SELF EMPLOYMENT PROGRAM OF DAY-NULM

A young girl, Anuradha aspired to have her own beauty parlour but for establishing parlour she needed money. She visited different banks for financial assistance but all her efforts were in vain. Then one day she visited DAY-NULM for assistance and came to know about the scheme and its benefits or about the process of loaning. She applied for a loan of Rs. 200000/ and the same was sanctioned from State Bank of India. She started her beauty parlour and is earning well. Now, she has become independent.

She has started to repay her instalment against loan which she took from the bank for starting the parlour. She used a part of amount for buying the branded products. Now, her life has totally changed and she is making good profit out of her enterprise. She is also helping her parents financially.

# NATIONAL URBAN LIVELIHOOD RENEWAL MISSION

## CELEBRATED NATIONAL UNITY DAY

**Rashtriya Ekta Diwas (National Unity Day)** was introduced by the [Government of India](#) and inaugurated by Indian [Prime Minister Narendra Modi](#) in 2014. The intent is to pay tribute to [Sardar Vallabhbhai Patel](#), who was instrumental in keeping the India united. It is celebrated on 31<sup>st</sup> October of every year as an annual commemoration of the birthday of the Iron Man of India [Sardar Vallabhbhai Patel](#), one of the founding leaders of [Republic of India](#).

In wake of said programme Municipal Corporation Shimla also celebrated the 143<sup>rd</sup> birth anniversary of Sardar Vallabhbhai Patel. In order to celebrate Rashtriya Ekta Diwas, Municipal Corporation Shimla organised an event on 31<sup>st</sup> Oct., 2018 and said ceremony was attended by all the HODs and by its staff. An event was inaugurated by Joint Commissioner, MC Shimla and programme was followed by the documentary shown on the life of Sardar Patel or ended with the pledge ceremony.

Accordingly, the said day was also celebrated with Self Help Groups and Area Level Federation formed under DAY-NULM at Totu and Annadale ward. Manager( skills and Micro Enterprises) of DAY-NULM narrated some great accomplishments of Sardar Patel to all members by narrating that as we know that he was bestowed with the title of Sardar by his co-workers and he is known as the architect of Independent India. Sardar Patel was

the first home Minister and Deputy Prime Minister of India.

Moreover, the aim of celebration of this event is to pay tribute to the great man, Sardar Vallabhbhai Patel, on his birth anniversary by remembering his extraordinary works for the country. He really worked hard in keeping India united.

Unity is strength... when there is  
teamwork and collaboration,  
wonderful things can be  
achieved.

Picture depicts meaning of unity.

# Celebration of Rashtriya Ekta Diwas at Municipal Corporation Shimla

*I solemnly pledge that I dedicate myself to preserve unity, integrity and security of the national and also strive hard to spread this message among my fellow countrymen. I take this pledge in the spirit of unification of my country which was made possible by the vision and actions of late Sardar Vallabhbhai Patel. I solemnly resolve to make my own contribution to ensure internal security of my Country.*

“MANPOWER WITHOUT UNITY IS NOT A STRENGTH UNLESS IT IS HARMONISED AND ..... UNITED PROPERLY THEN IT BECOMES A SPIRITUAL POWER”.

## Student's role in the Swachh Bharat Abhiyan

To accelerate the efforts to achieve universal sanitation coverage and to put focus on sanitation, the Prime Minister of India, Shri Narendra Modi, launched the Swachh Bharat Mission that aims to achieve the mission of Swachh Bharat by 2019, as a fitting tribute to Mahatma Gandhi on his **150th** birth anniversary. Swachh Bharat Mission, is the largest behaviour change campaign ever attempted in the field of sanitation in the world.

In order to achieve the objective of Swachh Bharat Mission, The Municipal Corporation Shimla is doing its best by communicating mass pledge message on Swachh Bharat Mission, Organising Painting competition, Essay Writing Competition, creating awareness among public and displaying of banner to sensitize mass. All these events are being organised with the help of school children as it is evident that the role of students are most vital and moreover, students are future generation of the nation. Therefore, they can create awareness among people to stop littering, they can urge the neighbours to use public waste disposal systems or can make it social issue. Student can touch the life of every citizen and no one is better ambassadors other than them for such a noble cause. Keeping in view these facts, M.C. Shimla has approached the students' of different school to become ambassadors of Swachh Bharat Mission. In this regard students of different school's are being sensitized by the functionaries of M.C. Shimla. In this regard, brochure consisting pledge to become "**Mukhya Mantri Swachhta Doot**" to keep Shimla City clean, green and be saviour of water are being distributed. Further, in order to keep Shimla City clean and green, M.C. Shimla has launched Swachhta App to cherish the dream of Swachhta.

**"A Person might be an Expert in any field Of knowledge, But without cleanliness His life is a waste".**

**स्वच्छता अपनाओ  
स्वच्छता अपनाओ,  
अपने घर को सुंदर बनाओ.**

**Ajab Gajab**

## मुख्यमंत्री स्वच्छता दूतों का है ये नारा सबसे स्वच्छ, सबसे बेहतर शिमला हमारा

प्रिय बच्चों,

हमें इस बात पर गर्व है कि हम पहाड़ों की रानी के नाम से दुनिया भर में मशहूर शहर शिमला में रहते हैं। शिमला शहर न केवल हिमाचल की शान है बल्कि दुनिया भर के सैलानियों के लिए स्वर्ग भी है। प्रिय बच्चों, आप सभी स्वच्छता के महत्त्व से परिचित हो। आप यह भी जानते हो कि शिमला शहर से राष्ट्रपिता महात्मा गांधी जी का गहरा लगाव रहा है और गांधी जी साफ-सफाई को ईश्वर का दूसरा रूप मानते थे। हमारे यशस्वी प्रधानमंत्री श्री नरेन्द्र मोदी जी का सपना (ड्रीम प्रोजेक्ट) भी 'स्वच्छ भारत मिशन' ही है। स्वच्छता की दिशा में आपके द्वारा उठाया गया एक छोटा सा कदम 'स्वच्छ भारत मिशन' में बड़ा योगदान साबित हो सकता है।

प्रिय बच्चों, इसी कड़ी में मैं आपसे आग्रह करता हूँ कि आप सभी 'मुख्यमंत्री स्वच्छता दूत' बनने का संकल्प लें।

आइए संकल्प लें कि हम :

- घर, स्कूल व शहर सहित अपने आसपास सफाई रखेंगे।
- घर व स्कूल में सूखा व गीला कचरा अलग-अलग कूड़ादानों में रखेंगे।
- कचरा अलग-अलग ही नगर निगम शिमला के सफाई कर्मियों को देंगे।
- पानी की एक-एक बूंद का सदुपयोग करेंगे।
- दैनिक कार्यों में प्लास्टिक का कम से कम उपयोग करेंगे।

आप बच्चे, देश का भविष्य हैं। मुझे उम्मीद है कि आप पर्यावरण संरक्षण एवं स्वच्छता पर विशेष ध्यान देंगे और देश का जिम्मेदार नागरिक बनने की ओर कदम बढ़ाएंगे।

स्नेह सहित,

आपका अपना

जय राम ठाकुर  
मुख्यमंत्री, हिमाचल प्रदेश

# DEVELOPMENT OF PARK

Building a healthy network of parks in our city is one major way to save and preserve local ecosystem. Parks benefit everyone in the community. They benefit the economy and also teach children about the environment and the importance of preserving natural ecosystems. They support human health and wellness. Parks are emerging as important public health solutions in Shimla City to spend the leisure time or to get rid from the hustle and bustle of the city life. These days stress is becoming major contributor to ill health due to busy schedule and shortage of open space where people can lead their social life.

Keeping in view above facts, Municipal Corporation Shimla has developed parks and green area in almost all wards to enhance the beauty of Shimla City or to create such infrastructure within the city which can cater the need of leisure, fun, quality time and to get rid from hustle and bustle of city life.

Recently Municipal Corporation Shimla has developed a park or play area in Rani Ground at Parimahal to cater the need of people of that area. Total area of said ground is 3271.50 Sqm. It will facilitate approx. one thousand five hundred people of that area. To beautify the said park, 19 Nos. bollards lights and 21 Nos. ornamental light poles have been installed for proper illumination or for the glorification of park.

## **EXPOSURE-CUM-STUDY TOUR OF M.C. COUNCILLORS /M.C. OFFICERS/OFFICIALS to PIMPRI CHINCHWAD, PUNE AND MUMBAI**

Exposure-cum-study tour was organised for the Councillors/Officers/Official by Municipal Corporation Shimla and expenditure was met out from the fund received under AMRUT Project. Objectives of the said visit were to implement or replicate following things in Shimla City through SMC & SJPNL:

- Equitable/benchmarked city wide water distribution
- Water audit
- WTP & Pumping system operations
- Water quality traceability in WTP& Distribution system
- Complaint REDRESSAL & MONTORING
- Assistance in corrective strategy formulation
- Customized real time monitoring & analysis

During the said study tour the Councillors and Officers/Official visited water purification centre at **Pimpri Chinchwad** to learn about 24x 7 water supply system. It was experienced that PCMC is currently operating the supply of 500 MLD water by catering the demand of 1.7 million people. At present PMC is pumping the water at the head of 72 m from the main source i.e. Poona River and secondly 56 MLD water is being received by lifting from the head of 1500 m. PCMC is using helium technology to detect leakages along with spectrometer and pipe locator which can be replicated for the Shimla City. Further, PCMC is using magnetic coupled meter for residential connection and AMR meters for commercial connection at the production cost of Rs. 6/- against the production Cost Rs.100/-

PCMC also guided about the new technology of billing and collection system which can be replicated in Shimla City for setting up comprehensive single point monitoring system for water supply system.

Councillors and Officers/Official of M.C. Shimla also visited Parvati Water Treatment Plant where raw water is being purified with the technical assistance of M/s. Shah Technical Consultants on O&M basis. They are providing filter bed, pulsar tube, annex building, substation, pure water sump well, wash water recovery tank, sludge thickener etc.

During the study tour, Councillors/Officers/Official also came to know about the services being provided by PCMC regarding the solid waste management viz. GPS Tracking System to track the garbage vehicles, UHF RFID Readers for vehicle identification, IOT Sensors to identify the status or level of waste bins, automated monitoring of transfer stations, processing centres for daily garbage, inward & outward using weigh bridge automation. The main motive is to adopt the "Waste to Energy" (WTE) technologies.

In addition to this, they also learnt about the generation of property tax, municipal bond and slum redevelopment to build a clean, green, sustainable and modern complex. The same can be replicated or adopted for the beautification or redevelopment of Krishna Nagar, Rambazaar, Lower bazaar area under Smart City Project of Shimla City.
