## INTERNAL AUDIT REPORT

F.Y. 2017-18

### (A) Observations related to Finance & Accounts Department

#### 1. INTERNAL CONTROL SYSTEM

The corporation does not appear to have effective control policies or procedures in place that provide management with reasonable assurance of meeting control objectives. Although the corporation has certain control policies or procedures, they are ineffective because of the absence of adequate monitoring procedures intended to evaluate the degree of compliance or noncompliance with such control policies or procedures. The corporation does not appear to have sufficiently trained or experienced personnel in its accounting department to afford reasonable assurance to management that non-routine transactions are recorded, and financial statements are prepared, in accordance with generally accepted accounting principles.

#### 2. FINANCIAL ACCOUNTING SOFTWARE

During the course of our audit, we observed that the accounting software being used by the Shimla Municipal Corporation since year 2007 has now become outdated and not reliable probably due to the improper maintenance of the same. The software has in-built internal control mechanism properly designed and implemented but are not operating effectively due to the reason mentioned above. We further observed that accounting software is not fully developed. Following reports are not yet generated in computer software:

- (i) Réceipt & Payments Account
- (ii) Bank Reconciliation Statement
- (iii) Cash Flow Statements
- (iv) Budgeting & MIS Reports
- (v) Reports of Water Supply, Rent and Property Tax Department are not showing the actual position of amount received during the year, arrears and advance collection.

In addition to the above, we also noticed some critical bugs in the software, some of the instances of which are mentioned below:

- An entry can be posted with different totals of debit and credit sides.

- Some transactions, having been entered and posted correctly, have different effects of their debits and credits in the corresponding ledgers, which is a major reason for the difference in Trial Balance. However, the difference has been corrected manually.
- Entries can be posted with negative figures also.
- There is a pattern of not reflecting one side of a transaction in the corresponding ledger.
- If there is multiple logins with a single User Id, the reports generated by the software are incorrect.

All the above discrepancies were duly reported to the management. The Corporation has also taken steps for their correction in the form of an agreement with an engineer for the maintenance of the Accounting Software. However, all the reported errors could not be corrected and some of them still persist in the software.

We recommend that the present software should be discontinued with immediate effect and the Corporation should shift to another accounting software having a better integration with other departments so as to ensure a better financial reporting.

### 3. ADVANCES TO HEADS OF DEPARTMENT

Advances to Heads of Department amounting Rs. 15,59,29,574 has not been adjusted since years and further Rs. 55,66,430 has also been allotted this year out of which Rs. 50,10,917 has been adjusted. The nature of advances is also not ascertainable. According to the management the amount represents advance paid to the contractors and suppliers against which Bills have not been received. Fixed Asset and Income & Expenditure Account is understated to this extent and corresponding depreciation on such capitalization has also not been provided in books of accounts.

The ageing of advances and receivables has not been done. Some of advances, as per our observation still stand from 1945. Special efforts are required, such as constitution of separate committee to get rid of such fictitious assets appearing in the Balance Sheet. Monthly reconciliation should be made regarding adjustment of advances paid to various departments and necessary correspondence should be made with concerned department regarding adjustment of advances given and also to fix the responsibility of each department. **This Para is being repeated since 2006-07 and no action is being taken in this respect.**

### 4. UNSPENT GRANTS

It has been observed that a substantial amount of grants remain unspent. The amount of unspent grants as on 31.03.2018 amounts to Rs. 63,96,87,212. Separate receipt and disbursement account for each grant should be kept in the memorandum register and utilization certificates should be got audited on periodical basis.

## 5. CAPITAL WORK-IN-PROGRESS

It has been observed that no addition has been done in capital work-in-progress during the year. However, no addition has been shown in WIP and all the additions has been made directly to the respective Fixed Assets which is a wrong approach. Fixed Asset and Income & Expenditure Account is understated to this extent and corresponding depreciation on such capitalization has also not been provided in books of accounts.

As per the management, the balances reflecting under the head Capital Work-in-progress are standing since years and are not identifiable. A proper reconciliation/ ageing schedule of the same was asked but was not made available to us. The following balances in Capital Work-in Progress are standing since years as mentioned below:

S.No.	A/c Code	A/c Description	Amount	Unadjusted since
1.	4121001	Specific Grants -Water Works	1,66,940	2007-08
2.	4121004	CWIP-Specific Grants-Sanitation & S.W. Management	18,14,788	2008-09

It is recommended that proper reconciliation and ageing schedules should be prepared every year and efforts should be made to trace the above unadjusted balances.

## 6. OTHER FINDINGS:

- Revenue from property taxes is being recorded on receipt basis and then demand is being raised accordingly. The method being followed by the corporation is a complete violation of accrual based accounting.
- The following balances have not been settled since many years and being shown as opening balances :

S.No.	A/c Code	A/c Description	Amount (Rs.)
1.	4302001	Loose Tools	81,399
2.	4308001	Other Stock in Hand	85,344

It is recommended that physical verification of the above stock items needs to be done and in case found fictitious should be written off.

- Suspense of Rs. 41,808 is being carried from FY 2015-16. The same should either be traced or written off accordingly.
- The Bank Reconciliation Statement should be maintained on monthly basis so that they can be produced in more reliable and effective manner.

To avoid penalties and interest, payments should be made in time and adequate budgeting and contingent plans may be drawn to discharge such colossal liabilities as a measure of financial prudence to avoid unnecessary complications arising because of crippling of cash flow position, or else policy decision should be taken and consultation with the government to get this amount waived.

HEAD OF DEPARTMENT - Executive Engineer

Subject-

Construction of Vending Zone Complex for street vendors near Subj. Mandi Ground (Bakery Building) Shimla including site development, C/O rain water harvesting tanks, internal WS&SI and Electrical installation

The revised estimate amounting to Rs.5.20 Crore has been approved by Hon'ble M.C. House vide its resolution No.3(7) dated 30.11.2019 for the completion of subject cited work. At present in the 6-storey structure 90% of the portion has been constructed and finishing work is in progress. The payment amounting to Rs.5,90,49,026/- has been made to the firm till date for work done (in which Rs.5,00,67,308/- & Rs.89,81,718/- spent under Challenge Fund/MC Head & AMRUT Mission respectively). But due to creation of additional floor and some extra items i.e. Paneling work of Front Portion, Fire Fighting System, Kota Stone etc. and increase in the quantities of original items, the cost of work has been deviated from the revised sanctioned estimate i.e. Rs.5.20 Crore. So the revised sanctioned estimate has been reframed as per prevailing circumstances and accordingly the another revised estimate amounting to Rs.6,48,65,300/- only has been worked out for the completion of this project.

Earlier the original estimate for the subject cited work was technically approved from the office of Engineer-in-Chief, HPPWD, Shimla and thereafter said estimate was approved by Hon'ble M.C. House vide its resolution No.3(15) dated 27.03.2015 for amounting to Rs.489.59 lakhs only. Accordingly the work was awarded to the lowest contractor M/s Vishwa Bhumi Engineers (P) Ltd. after completing all codal formalities of tender agreement amounting to Rs. 3,92,66,955/- against the funds deposited under Challenge fund.

Further it is clarified that during execution of work there was a big boulder which was broken to execute the work at site and also there occurred heavy landslides from the back side of this building for which it was essential to restore the same by constructing RCC breast wall in some part.

Keeping in view, the approval of revised estimate amounting to Rs.6,48,65,300/- is required for the completion of this project immediately so that shops constructed in this building may be allotted/rented out to the eligible persons as per norms.

Therefore, the matter is placed before FC & PC for following consideration and approvals:-

1. To accord approval of revised estimated cost amounting to Rs.6,48,65,300/- only and to approve the deviation from the awarded amount i.e. up to revised estimated cost.
2. To execute the work through same contractor against the original tender agreement and to authorise the Executive Engineer (R&B) M.C. Shimla for making payment to the contractor for work done after observing all requisite code formalities.
3. To incur the expenditure from "Shimla Smart City Mission"/M.C. Head
4. To ensure quality of work as per prevailing norms.

Resolution

A water tank was proposed to be built within the premises of Advanced studies for which funding was done under AMRUT. Since the NOC for the same has not been provided till date by the CPWD, it is proposed that the capacity of the existing water tank should be increased by construction of additional chambers and the funds obtained under AMRUT should be diverted in this project in public interest at large.

जीवणू कलौनी कसुम्पटी में निगम की बनी पार्किंग का कार्य अन्तिम चरण में पहुंच चुका है। महोदय यहां की आबादी लगभग 1500 के करीब है। यहां पर वाहन पार्किंग की बहुत समस्या है आये दिन ट्रैफिक पुलिस द्वारा सड़क पर गाड़ी खड़ी करने के कारण लोगों के चालान काट दिए जाते हैं। महोदय यहां पर पूरा रिहायशी इलाका है स्थानीय लोगों द्वारा इस बारे निगम को पहले ही आवेदन दिए जा रहे हैं। इसलिए इनके आवेदनों को मध्यनजर रखते हुए स्थानीय लोगों को यह पार्किंग घरेलू एवं सस्ती दरों पर उपलब्ध होनी चाहिए।

अतः प्रस्ताव किया जाता है कि उपरोक्त पार्किंग को स्थानीय लोगों को व्यवसायिक दरों की बजाए घरेलू एवं सस्ती दरों पर उपलब्ध करवाया जाए।

ऑकलैण्ड स्कूल के पिछे व आई.जी.एम.सी. के सामने प्रस्तावित कार पार्किंग स्मार्ट सिटी के तहत बनाई जानी थी परन्तु इस पार्किंग का निर्माण अब पी0पी0पी0 मोड पर बनाने की योजना है। इस पार्किंग को पी0पी0पी0 मोड पर न बनाया जाए क्योंकि पहले भी नगर निगम शिमला द्वारा पी0पी0पी0 मोड पर पार्किंग बनाई गई है परन्तु उन से अभी तक निगम को कोई आय प्राप्त नहीं हो रही है इसलिए पार्किंग को स्मार्ट सिटी के तहत ही बनाया जाए।

अतः प्रस्ताव किया जाता है कि जनहित में ऑकलैण्ड के पिछे प्रस्तावित पार्किंग को पी0पी0पी0 मोड पर न बनाकर स्मार्ट सिटी के तहत ही बनाया जाए।
