

**SCHEDULE - G**  
(See Clause 12.2)

**DRAWINGS**

**1 Drawings**

In compliance of the obligations set forth in Clause 12.2 of this Agreement, the Concessionaire shall furnish to the Independent Engineer, free of cost, all Drawings listed in Annex-I of this Schedule-G.

**2 Additional drawings**

- 2.1 If the Independent Engineer determines that for discharging its duties and functions under this Agreement, it requires any drawings other than those listed in Annex-I, it may by notice require the Concessionaire to prepare and furnish such drawings forthwith. Upon receiving a requisition to this effect, the Concessionaire shall promptly prepare and furnish such drawings to the Independent Engineer, as if such drawings formed part of Annex-I of this Schedule-G.

**ANNEX-I**  
**(Schedule-G)**  
**List of Drawings**

1. The Water Supply and Sewerage System drawings, as defined in Clause 1.1, Definitions, Article 1, Definitions and Interpretation, Part-I : Preliminary, of the Concession Agreement shall consist:
  - (a) Working Drawings of all the components/elements of the Water Supply and Sewerage System as determined by Independent Engineer/Authority, and
  - (b) As-built drawings for the Water Supply and Sewerage System components/elements as determined by IE/Authority. As-built drawings shall be duly certified by Independent Engineer.
  
2. A broad list of the drawings of the various components/elements of the Water Supply and Sewerage System and project facilities (to be constructed/ upgraded w.r.t this Project) required to be submitted by the Concessionaire is given below:
  - (a) Drawings of storage tanks
  - (b) Drawings of sewerage treatment plants
  - (c) Drawings of all civil structures
  - (d) Drawing of roads/pavement
  - (e) Layout and Specifications of pumps
  - (f) Layout/Configuration of pipes and drainage systems
